WHY LIST WITH ME

THE EXP LUXURY DIFFERENCE

Selling a home is more than putting a sign in the yard. It's getting the right buyers, from anywhere in the world, to fall in love with it.

01

GLOBAL LUXURY EXPOSURE

Your home is marketed through eXp Luxury, with member agents across the U.S., Canada and international markets from the UK to Australia, so it reaches buyers well beyond our local MLS.

02

LUXURY-LEVEL MARKETING

A custom listing campaign built with eXp Luxury's design center: polished print pieces, listing presentations and a digital launch that looks like the home deserves.

03

INTERNATIONAL BUYERS

My leads come from around the world. Florida draws more foreign buyers than any other state, and I'm already talking with them.

04

FINANCING INSIGHT

As a licensed mortgage loan officer, I can look at a buyer's financing and spot weak offers before you accept one, so fewer deals fall apart.

05

LOCAL LUXURY KNOW-HOW

I focus on Central Florida's resort and luxury communities, including Reunion Resort, and price your home from what really sells there.

06

ALWAYS WITHIN REACH

You get my personal cell, not a call center. I keep you updated at every step and treat every client like family.

HOW IT COMPARES

	A TYPICAL LISTING	YOUR LISTING WITH THE MATTHEIS TEAM
REACH	Local MLS and the big home search sites	All of that, plus the eXp Luxury network and my international leads
MARKETING	Standard photos and a listing sheet	A custom luxury campaign designed to fit your home
BUYERS	Mostly local and out-of-state	Local, out-of-state and international buyers, many paying cash
OFFERS	Price and terms	Price, terms and a loan officer's read on each buyer's financing
COMMUNICATION	Office line and email	My personal cell, with updates at every step

WHAT THAT MEANS FOR YOU

Selling in Florida puts your home in front of one of the biggest buyer pools in the world. International buyers shop here year-round for second homes, vacation rentals near the theme parks, and a place to retire in the sun.

My leads come from around the world, so your home is in front of international buyers from day one, not just whoever happens to be house hunting locally that week.

More buyers means more competition for your home, and many international buyers pay cash, which can mean a smoother, faster closing.
